

Medical Student Membership Benefit Highlights

Electronic Subscription to the *Journal of Gastrointestinal Surgery*

- ▶ The *Journal of Gastrointestinal Surgery (JOGS)* is a scholarly, peer-reviewed journal that updates the surgeon on the latest developments in gastrointestinal surgery. The journal includes original articles on surgery of the digestive tract; gastrointestinal images; “How I Do It” articles, subject reviews, book reports, editorial columns, the SSAT Presidential Address, articles by guest orators and lecturers, symposia, letters, results of conferences and more. *JOGS* is the official publication of the SSAT, functioning as an outstanding forum for continuing education in surgery and diseases of the gastrointestinal tract.
- ▶ Medical Student members receive full online access to the Journal.

SSAT Annual Meeting at Digestive Disease Week (DDW)

- ▶ Complimentary Early Bird registration for Medical Student members
- ▶ Discounted registration for the SSAT
- ▶ Network with GI leadership at the Foundation Awards Reception at DDW
- ▶ Access to the Residents and Fellows Research Conference

This Research Conference is held on the Friday preceding DDW and highlights the top Resident-presented abstracts from the Annual Meeting. Residents are afforded the opportunity to present their own work and to discuss the work of colleagues from around the world; to attend an exclusive Invited Lecture; and to network with senior members of the Society and peers during the daylong sessions and evening reception. Prizes are awarded to the highest rated presentations.

Access to SSAT Awards, Fellowships, DEODUS, and Scholarships

including the Writers Workshop

The SSAT was founded in 1960 to bring together the best and brightest gastrointestinal surgeons from around the world. Drawing from the leading medical schools and hospitals in the United States and abroad, the SSAT membership is composed of many of today's leading practitioners, teachers, and young surgeons.
